REMPHIS APPEAD

OFFICIAL JOURNAL OF THE CITY. WEDNESDAY MORNING, : JUNE 28, 1871 When he was aroused he looked to the

Accepting the Amendments and Then This is the proposition now made

as if in serious carnest to the country.

Men who have too much self-respect to stultify themselves by lauding what they have denounced as criminal usurpations, now propose, while al usurpations, now propose, while cannot resist, allow me a parting word. Because despotism and superthects by a process of construction. rior force so will it, I go into the Con-They admit and promise to swear by tederate lines. I well understand the the amendments henceforth and for purpose of this order. But in vain the Virginia, as well as in the other the amendments nencetorin and for overmore, and depend for safety, in to give color to the calumnies and missurrendering a principle, on the anti-representations of the past two years. that were discouraging and unfavor dole of interpretation. The amend- They little comprehend the true char- able to the work of progressive free dote of interpretation. The amendments give to Congress the power,
by sppropriate legislation," to inthe man with whom they
have to deal. No order of banishment, executed by superior force, can
ment, executed by superior force, can torce an ex post facto law, and to punish for acts not known as crimes at the time they were committed. They take the power of demestic control take the power of domestic control never surrondered by any State, and they give to Congress the power the same as though I remained upon the Kn-Klux, warnto legislate, so as to carry these powpression of attachment to the Union and devotion to the Constitution—to my country—which I have ever cherished or netered shall abide unchanged and unretracted till my return. Meaning the express terms by that Constitution. How, in argument, can one rationally admit the amendments and yet deny the power to legislate as directed and the power to legislate as directed and the constitution of the constitution of the constitution. The property of the power to legislate as directed and the constitution of the constitution and devotion to the Constitution—to my country—which I have ever cherished or netered shall abide unchanged and unretracted till my return. Meaning the model of the schools for whites was a dilapidated building, a mere shell, and which while the constitution of the schools for whites was a dilapidated building, a mere shell, and which while the property of the schools for whites was a dilapidated building, a mere shell, and which while the property of the schools for whites was a dilapidated building, a mere shell, and which white the considerable to establish at purpose. The Quakers have done considerable to establish good schools in some parts of the state. At Wilmington the schools summer sitks for so cents, worth situation of the state or remain at their special attention of the schools for whites was a dilapidated building, a mere shell, and which which is the capital of the state or remain at their special of the state, the only edifice used for the schools for whites was a dilapidated building, a mere shell, and which which is the capital of the state, and which we can their special attention of the state, and their special atte the power to legislate as directed and empowered by them? The pretence that the evils of the surrender and departure are to be got rid of by construction is a false one. And for the purpose of party success it will prove ocratic party cannot win under its render myself to you as a prisoner of Examine own flag, with drums beating and colors flying, we pity the stapidity of that blockheadism which supposes the possibility of a victory by hiding of the Democratic brains and toflowing the lead of the ravenous bird which exposes [those portions which]. The did not stay long in the Confederacy. He made his way speedily to Wilmington, North Carolina, where the local section in the confederacy. The Charleston schools are all reported in the confederacy. might be put to better service in runing away.

VIRGINIA SPRINGS.

Rawley Springs, Va., will be regularly opened for the reception of visitors, on the grat day of June, 181. Stinuted as it is in the mountains of the Valley, it is not only one of the most designtful Summer resorts in the State, but its great carative properties are becoming widely coelebrated.

The analysis of the water by Prof. MaPets, of the University of Vs., together with the experience of many eminent Physicians prove that it is "the Springs" for suffering females, but besides its wonderful tonic properties as a remedy in general debility anemila and diseases peculiar to femal's. It is unsurpassed in the treatment of the various forms of Dyspepsia, and particulary for those suffering from torpid and inactive liver, its action upon the liver, as well as the sidney, being prompt and decided. Very many remarkable cures could be cited of this class of troublesome diseases.

Rawley is now easy of access, altuated only twelve miles from Harrisonburg, the presect terminus of the Orange and Manassas Gap. e miles from Harrisonburg, the presenting of the Orange and Manassas Grand from which point there will be two lines of Stages, morning and evening last Summer the buildings have been yimproved, as well as the road from public of the Santage. raisonburg to the Springs There is also egraph office at Hairisonburg.
